## ORDINANCE NUMBER 2012-O-27

AN ORDINANCE providing for the issuance of \$60,780 Taxable General Obligation Limited Tax Bonds, Series 2012D, and \$237,805 General Obligation Limited Tax Bonds, Series 2012E, of the Village of Willow Springs, Cook County, Illinois, and providing for the levy and collection of a direct annual tax for the payment of the principal of and interest on said bonds.

### WHEREAS

A. The Village of Willow Springs, Cook County, Illinois (the "*Village*") is a municipality and unit of local government operating under the constitution and laws of the State of Illinois, including the Illinois Municipal Code, as amended (the "*Act*").

B. On February 23, 2012, the Village authorized Taxable General Obligation Bonds (Alternate Revenue Source), Series 2012A (the "*Prior Bonds*").

C. It is necessary and desirable that the Village refund the interest due on December 15, 2012, and June 15, 2013, and related expenses with respect to the Prior Bonds (the "*Refunding*"); and

D. The Prior Bonds are outstanding and unpaid and are binding and subsisting legal obligations of the Village.

E. The President and Board of Trustees of the Village (the "*Corporate Authorities*") find that the Village does not have sufficient funds on hand for the Refunding and that the cost thereof, including legal, financial and other expenses, will be not more than \$60,780, and that it is necessary and for the best interests of the Village that it borrow the sum of \$60,780 and issue bonds of the Village to evidence the borrowing.

F. In addition, it is necessary and desirable that the Village finance certain capital improvements in and for the Village (the "*Project*") and it is necessary at this time to borrow the sum of \$237,805 to pay the cost thereof.

G. The Corporate Authorities find that the Village does not have sufficient funds on hand for the Project and that the cost thereof, including legal, financial and other expenses, will be not more than \$237,805, and that it is necessary and for the best interests of the Village that it borrow the sum of \$237,805 and issue bonds of the Village to evidence the borrowing.

H. The Corporate Authorities have determined that it is in the best interests of the Village to issue bonds in the amount of \$60,780 for the Refunding and bonds in the amount of \$237,805 for the Project, and to therefore issue in the aggregate bonds in the amount of \$298,585.

I. Pursuant to and in accordance with the provisions of the Bond Issue Notification Act of the State of Illinois, as amended, the President, on the 12th day of January, 2012, executed an Order calling a public hearing (the "*Hearing*") for the 26th day of January, 2012, concerning the intent of the Corporate Authorities to sell not to exceed \$800,000 general obligation limited tax bonds; and

J. Notice of the Hearing was given (i) by publication at least once not less than seven (7) nor more than thirty (30) days before the date of the Hearing in the *Des Plaines Valley News*, the same being a newspaper of general circulation in the Village, and (ii) by posting at least 48 hours before the Hearing a copy of said notice at the principal office of the Corporate Authorities; and

K. The Hearing was held on the 26th day of January, 2012, and at the Hearing, the Corporate Authorities explained the reasons for the proposed bond issue and permitted persons desiring to be heard an opportunity to present written or oral testimony within reasonable time limits; and

L. The Hearing was finally adjourned on the 26th day of January, 2012, and not less than seven (7) days have passed since the final adjournment of the Hearing.

M. Prior to the date hereof, the Village issued general obligation limited tax bonds in the amount of \$160,825 to finance certain capital improvements pursuant to such authorization and the Village is now therefore authorized to issue not to exceed \$639,175 general obligation limited tax bonds.

N. The Corporate Authorities do hereby find and determine that upon the issuance of bonds of the Village in the aggregate amount of \$298,585, all in accordance with the provisions of the Section 8-5-16 of the Illinois Municipal Code, as amended (the "*Municipal Code*"), the aggregate outstanding bonds of the Village issued pursuant to said Section, including the bonds herein authorized, will not exceed one-half of one per cent of the assessed value of all of the taxable property located within the Village, and accordingly, the Corporate Authorities are authorized to issue such bonds without submitting the question of such issuance to the electors of the Village; and

O. The bonds so authorized shall be issued as limited bonds under the provisions of Section 15.01 of the Local Government Debt Reform Act of the State of Illinois, as amended (the "*Debt Reform Act*"), and as such it is not necessary to submit the proposition of the issuance of the bonds to the voters of the Village for approval; and

*"Dated Date"*), and shall also bear the date of authentication, shall be in fully registered form, shall be in denominations of \$5.00 or authorized integral multiples thereof (but no single Bond shall represent installments of principal maturing on more than one date) and shall be numbered 1 and upward.

A. The Series 2012E Bonds in the aggregate principal amount of \$237,805 shall be designated *"General Obligation Limited Tax Bond, Series 2012E,"* and shall become due and payable (without right of prior redemption) on December 1, 2013, and bear interest at the rate of 2.60 percent per annum.

B. Each Bond shall bear interest from the later of its Dated Date as herein provided or from the most recent interest payment date to which interest has been paid or duly provided for, until the principal amount of such Bond is paid or duly provided for, such interest (computed upon the basis of a 360-day year of twelve 30-day months) being payable on December 1, 2013. Interest on each Bond shall be paid by check or draft of the Bond Registrar, payable upon presentation thereof in lawful money of the United States of America, to the person in whose name such Bond is registered at the close of business on the applicable Record Date and mailed to the registered owner of the Bond as shown in the Bond Registrar or at such other address furnished in writing by such Registered Owner. All Bonds shall have thereon a certificate of authentication, substantially in the form hereinafter set forth, duly executed by the Bond Registrar as authenticating agent of the Village and showing the date of authentication. No Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Ordinance unless and until such certificate of authentication shall have been duly executed by the Bond Registrar by manual signature, and such certificate of authentication upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Ordinance. The certificate of authentication on any Bond shall be deemed to have been executed by it if signed by an authorized officer of the Bond Registrar, but it shall not be necessary that the same officer sign the certificate of authentication on all of the Bonds issued hereunder.

*Section 6. Term Bonds, Mandatory Redemption and Covenants.* The Bonds are not subject to mandatory redemption prior to maturity.

*Section 7. Optional Redemption.* The Bonds are not subject to optional redemption prior to maturity.

or locality which is hereby constituted and appointed the registrar of the Village for the Bonds. The Village is authorized to prepare, and the Bond Registrar or such other agent as the Village may designate shall keep custody of, multiple Bond blanks executed by the Village for use in the transfer and exchange of Bonds.

Any Bond may be transferred or exchanged, but only in the manner, subject to the limitations, and upon payment of the charges as set forth in this Ordinance. Upon surrender for transfer or exchange of any Bond at the office of the Bond Registrar maintained for the purpose, duly endorsed by or accompanied by a written instrument or instruments of transfer or exchange in form satisfactory to the Bond Registrar and duly executed by the registered owner or an attorney for such owner duly authorized in writing, the Village shall execute and the Bond Registrar shall authenticate, date and deliver in the name of the transferee or transferees or, in the case of an exchange, the registered owner, a new fully registered Bond or Bonds of like tenor, of the same maturity, bearing the same interest rate, of authorized denominations, for a like aggregate principal amount.

The Bond Registrar shall not be required to transfer or exchange any Bond during the period from the close of business on the Record Date for an interest payment to the opening of business on such interest payment date.

The execution by the Village of any fully registered Bond shall constitute full and due authorization of such Bond, and the Bond Registrar shall thereby be authorized to authenticate, date and deliver such Bond; *provided, however*, that the principal amount of Bonds of each maturity authenticated by the Bond Registrar shall not at any one time exceed the authorized principal amount of Bonds for such maturity less the amount of such Bonds which have been paid.

The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of or interest on any Bond shall be made only to or upon the order of the registered owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

No service charge shall be made for any transfer or exchange of Bonds, but the Village or the Bond Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds.

*Section 9. Form of Bond.* The Bonds shall be in substantially the form hereinafter set forth; *provided, however,* that if the text of the Bonds is to be printed in its entirety on the front side of the Bonds, then the second paragraph on the front side and the legend "See Reverse Side for Additional Provisions" shall be omitted and the text of paragraphs set forth for the reverse side shall be inserted immediately after the first paragraph.

*Section 10. Security for the Bonds.* Notwithstanding any other provision of this Ordinance, the annual amount of the taxes to be extended by the County Clerk to pay the Bonds and all other limited bonds (as defined in the Debt Reform Act) heretofore and hereafter issued by the Village shall not exceed the debt service extension base (as defined in the Law) of the Village. The Corporate Authorities hereby find and expressly determine that the Series 2012D Pledged Taxes and the Series 2012E Pledged Taxes do not exceed the Base in any year. No

limit, however, exists on the rate of the direct annual tax levied herein, and the Bonds shall constitute a general obligation of the Village.

Payments on the Bonds from the Base will be made on a parity with the payments on the Village's outstanding General Obligation Limited Tax Bonds, Series 2008B, dated September 9, 2008, and General Obligation Limited Tax Bonds, Series 2012C, dated March 8, 2012. The Village is authorized to issue from time to time additional limited bonds payable from the Base, as permitted by law, and to determine the lien priority of payments to be made from the Base to pay the Village's limited bonds.

*Section 11. Tax Levy.* For the purpose of providing funds required to pay the interest on the Bonds promptly when and as the same falls due, and to pay and discharge the principal thereof at maturity, there is hereby levied upon all of the taxable property within the Village, in the years for which any of the Bonds are outstanding, a direct annual tax for that purpose as follows:

**FOR THE SERIES 2012D BONDS**

FOR THE YEAR	A TAX TO PRODUCE THE DOLLAR (\$) SUM OF:	
2012	\$63,176.76	for interest and principal up to and including December 1, 2013

(the "*Series 2012D Pledged Taxes*") and

**FOR THE SERIES 2012E BONDS**

FOR THE YEAR	A TAX TO PRODUCE THE DOLLAR (\$) SUM OF:	
2012	\$244,056.64	for interest and principal up to and including December 1, 2013

(the "*Series 2012E Pledged Taxes*" and, together with the Series 2012D Pledged Taxes, the "*Pledged Taxes*").

The Series 2012D Pledged Taxes and other moneys (excepting proceeds of the Series 2012D Bonds) on deposit (collectively, the "*Series 2012D Bond Moneys*") in the Series 2012D Bond Fund shall be applied to the payment of interest when due and principal when due at maturity from the Series 2012D Bond Fund.

The Series 2012E Pledged Taxes and other moneys (excepting proceeds of the Series 2012E Bonds) on deposit (collectively, the "*Series 2012E Bond Moneys*") in the Series 2012E Bond Fund shall be applied to the payment of interest when due and principal when due at maturity from the Series 2012E Bond Fund.

Interest or principal coming due at any time when there are insufficient funds on hand from the Pledged Taxes to pay the same shall be paid promptly when due from current lawfully available funds on hand in advance of the collection of the Pledged Taxes herein levied; and when the Pledged Taxes shall have been collected, reimbursement shall be made to said funds in the amount so advanced. The Village covenants and agrees with the purchasers and registered owners of the Bonds that so long as any of the Bonds remain outstanding, the Village will take no action or fail to take any action which in any way would adversely affect the ability of the Village to levy and collect the foregoing tax levy. The Village and its officers will comply with all present and future applicable laws in order to assure that the Pledged Taxes may be levied, extended and collected as provided herein and deposited into the Series 2012D Bond Fund and/or the Series 2012E Bond Fund, as applicable.

Whenever other funds from any lawful source are made available for the purpose of paying any principal of or interest on the Bonds so as to enable the abatement of the taxes levied herein for the payment of same, the Corporate Authorities shall, by proper proceedings, direct the deposit of such funds into the Series 2012D Bond Fund and/or the Series 2012E Bond Fund, as applicable, and further shall direct the abatement of the taxes by the amount so deposited. A

certified copy or other notification of any such proceedings abating taxes may then be filed with the County Clerk in a timely manner to effect such abatement.

*Section 12. Filing with County Clerk.* Promptly, as soon as this Ordinance becomes effective, a copy hereof, certified by the Village Clerk of the Village, shall be filed with the County Clerk; and the County Clerk shall in and for each of the years required ascertain the rate percent required to produce the aggregate taxes herein provided to be levied; and the County Clerk shall (to the extent said taxes have not been abated as provided herein) extend the same for collection on the tax books in connection with other taxes levied in said years in and by the Village for general corporate purposes of the Village; and in said years such annual taxes shall be levied and collected by and for and on behalf of the Village in like manner as taxes for general corporate purposes for said years are levied and collected, and in addition to and in excess of all other taxes.

*Section 13. Sale of Bonds.* The Bonds shall be executed as in this Ordinance provided as soon after the passage hereof as may be, shall be deposited with the Village Treasurer, and the Series 2012D Bonds shall be delivered to the Purchaser upon the payment of the Series 2012D Purchase Price and the Series 2012E Bonds shall be delivered to the Purchaser upon the payment of the Series 2012E Purchase Price. The contracts for the sale of the Series 2012D Bonds and the Series 2012E Bonds to the Purchaser, each as evidenced by an Official Notice of Sale and an executed Official Bid Form, as presented to the Corporate Authorities at this meeting (collectively, the "*Purchase Contract*"), are hereby in all respects ratified, approved and confirmed it being hereby found and determined that the Series 2012D Bonds and the Series 2012E Bonds have been sold at such price and bear interest at such rates that neither the interest cost yield nor the net interest rate received upon such sales exceed 9.00% and that the Purchase Contract is in the best interests of the Village and that no person holding any office of

the Village, either by election or appointment, is in any manner financially interested, either directly in his own name or indirectly in the name of any other person, association, trust or corporation, in such contracts.

The Term Sheet of the Village relating to the Series 2012D Bonds and the Term Sheet of the Village relating to the Series 2012E Bonds (collectively, the "*Term Sheet*") presented to the Corporate Authorities at the meeting are hereby ratified and approved. The Designated Officers are hereby further expressly authorized to take any action as may be required on the part of the Village to consummate the transactions contemplated by the Purchase Contract, this Ordinance, said Term Sheet, and the Bonds, including customary closing documents, their execution thereof to constitute ratification of the terms and provisions thereof by the Corporate Authorities without any further official action or direction thereby.

*Section 14. Creation of Funds and Appropriations.*

A. There is hereby created the "*Taxable General Obligation Limited Tax Bonds, Series 2012D Bond Fund*" (the "*Series 2012D Bond Fund*") and the "*General Obligation Limited Tax Bonds, Series 2012E, Bond Fund*" (the "*Series 2012E Bond Fund*"). The Series 2012D Bond Fund shall be the fund for the payment of principal of and interest on the Series 2012D Bonds, and the Series 2012E Bond Fund shall be the fund for the payment of the principal and interest on the Series 2012E Bonds. Accrued interest and premium, if any, received upon delivery of the Series 2012D Bonds shall be deposited into the Series 2012D Bond Fund and be applied to pay first interest coming due on the Series 2012D Bonds, and accrued interest and premium, if any, received upon delivery of the Series 2012E Bonds shall be deposited into the Series 2012E Bond Fund and be applied to pay first interest coming due on the Series 2012E Bonds.

1. *Series 2012D Bonds.* The Series 2012D Pledged Taxes shall either be deposited into the Series 2012D Bond Fund and used solely and only for paying the principal of and

interest on the Series 2012D Bonds or be used to reimburse a fund or account from which advances to the Series 2012D Bond Fund may have been made to pay principal of or interest on the Series 2012D Bonds prior to receipt of Series 2012D Pledged Taxes. Interest income or investment profit earned in the Series 2012D Bond Fund shall be retained in the Series 2012D Bond Fund for payment of the principal of or interest on the Series 2012D Bonds on the interest payment date next after such interest or profit is received or, to the extent lawful and as determined by the Corporate Authorities, transferred to such other fund as may be determined. The Village hereby pledges, as equal and ratable security for the Series 2012D Bonds, all present and future proceeds of the Series 2012D Pledged Taxes for the sole benefit of the registered owners of the Series 2012D Bonds, subject to the reserved right of the Corporate Authorities to transfer certain interest income or investment profit earned in the Series 2012D Bond Fund to other funds of the Village, as described in the preceding sentence.

The amount necessary of the proceeds of the Series 2012D Bonds shall be deposited into a separate fund, hereby created, designated the "Series 2012D Expense Fund" (the "*Series 2012D Expense Fund*") to be used to pay expenses of issuance of Series 2012D Bonds. Disbursements from such fund shall be made from time to time by the Village Treasurer as needed to pay costs of issuance of the Series 2012D Bonds. Any excess in said fund shall be deposited into the Series 2012D Bond Fund.

The balance of the principal proceeds shall thereupon be used to pay the interest due on December 15, 2012, and June 15, 2013, on the Prior Bonds, and to that end shall be held irrevocably by the paying agent for the Prior Bonds in the bond fund for same, and disbursements shall be made only for the aforesaid purposes.

Interest on or principal of the Series 2012D Bonds coming due at any time when there are insufficient funds on hand from the Series 2012D Pledged Taxes to pay the same shall be paid

promptly when due from current funds on hand in advance of the collection of the Series 2012D Pledged Taxes; and when the Series 2012D Pledged Taxes shall have been collected, reimbursement shall be made to said funds in the amount so advanced. The Village covenants and agrees with the purchasers and registered owners of the Bonds that so long as any of the Series 2012D Bonds remain outstanding, the Village will take no action or fail to take any action which in any way would adversely affect the ability of the Village to levy and collect the foregoing Series 2012D tax levy. The Village and its officers will comply with all present and future applicable laws in order to assure that the Series 2012D Pledged Taxes may be levied, extended and collected as provided in this Ordinance and deposited into the Series 2012D Bond Fund. Whenever moneys from any other lawful source are made available for the purpose of paying any principal of or interest on the Series 2012D Bonds so as to enable the abatement of the Series 2012D Pledged Taxes, the Corporate Authorities shall, by proper proceedings, direct the deposit of such moneys into the Series 2012D Bond Fund and further direct the abatement of such taxes by the amount so deposited. The Village covenants and agrees that it will not direct the abatement of taxes until moneys have been deposited into the Series 2012D Bond Fund in the amount of such abatement. A certified copy or other notification of any such proceedings abating taxes may then be filed with the County Clerk in a timely manner to effect such abatement.

2. *Series 2012E Bonds.* The Series 2012E Pledged Taxes shall either be deposited into the Series 2012E Bond Fund and used solely and only for paying the principal of and interest on the Series 2012E Bonds or be used to reimburse a fund or account from which advances to the Series 2012E Bond Fund may have been made to pay principal of or interest on the Series 2012E Bonds prior to receipt of Series 2012E Pledged Taxes. Interest income or investment profit earned in the Series 2012E Bond Fund shall be retained in the Series 2012E Bond Fund for

payment of the principal of or interest on the Series 2012E Bonds on the interest payment date next after such interest or profit is received or, to the extent lawful and as determined by the Corporate Authorities, transferred to such other fund as may be determined. The Village hereby pledges, as equal and ratable security for the Series 2012E Bonds, all present and future proceeds of the Series 2012E Pledged Taxes for the sole benefit of the registered owners of the Series 2012E Bonds, subject to the reserved right of the Corporate Authorities to transfer certain interest income or investment profit earned in the Series 2012E Bond Fund to other funds of the Village, as described in the preceding sentence.

The amount necessary of the proceeds of the Series 2012E Bonds shall be deposited into a separate fund, hereby created, designated the "Series 2012E Expense Fund" (the "*Series 2012E Expense Fund*") to be used to pay expenses of issuance of Series 2012E Bonds. Disbursements from such fund shall be made from time to time by the Village Treasurer as need to pay costs of issuance of the Series 2012E Bonds. Any excess in said fund shall be deposited into the Project Fund after six months from the date of issuance of the Series 2012E Bonds.

The balance of the principal proceeds of the Series 2012E Bonds shall be used to pay costs of the Project and to that end shall be deposited into a separate and segregated account of the Village, hereby created, and to be known as the "*Project Fund*" (the "*Project Fund*"). Monies on deposit in and to the credit of the Project Fund shall be disbursed from time to time as needed by the Village Treasurer, without further official action or direction of the Corporate Authorities, in accordance with normal Village procedures for disbursements of corporate funds for capital projects. Upon the completion of the Project, as certified by the Village Treasurer, remaining funds, if any, on deposit in and to the credit of the Project Fund shall be transferred by the Village Treasurer, without further official action of or direction by the Corporate Authorities, to the Series 2012E Bond Fund. Monies on deposit in and to the credit of the Project Fund may

be invested by the Village Treasurer in any investments lawful under Illinois law for Village funds, without further official action of or direction by the Corporate Authorities.

Without further official action of or direction by the Corporate Authorities, if necessary to ensure the timely payment of principal of and interest on the Series 2012E Bonds, monies on deposit in the Project Fund may be transferred by the Village Treasurer at any time to the Series 2012E Bond Fund in anticipation of the collection of Series 2012E Pledged Taxes. Any amount so transferred shall be promptly repaid upon the collection of Series 2012E Pledged Taxes. Alternatively, the Village Treasurer may allocate proceeds of the Series 2012E Bonds to one or more related project accounts or funds of the Village already in existence; *provided, however*, that this shall not relieve the Village and such officer of the duty to account for the proceeds as if the Project Fund were created as herein provided.

The Village, by its Corporate Authorities, reserves the right, as it may become necessary from time to time, to change the purposes of expenditure of the Project Fund, to change priorities, to revise cost allocations between expenditures and to substitute projects, in order to meet current needs of the Village; subject, however, to the tax covenants of the Village relating to the Tax-exempt status of the Series 2012E Bonds.

Interest on or principal of the Series 2012E Bonds coming due at any time when there are insufficient funds on hand from the Series 2012E Pledged Taxes to pay the same shall be paid promptly when due from current funds on hand in advance of the collection of the Series 2012E Pledged Taxes; and when the Series 2012E Pledged Taxes shall have been collected, reimbursement shall be made to said funds in the amount so advanced. The Village covenants and agrees with the purchasers and registered owners of the Bonds that so long as any of the Series 2012E Bonds remain outstanding, the Village will take no action or fail to take any action which in any way would adversely affect the ability of the Village to levy and collect the

foregoing Series 2012E tax levy. The Village and its officers will comply with all present and future applicable laws in order to assure that the Series 2012E Pledged Taxes may be levied, extended and collected as provided in this Ordinance and deposited into the Series 2012E Bond Fund. Whenever moneys from any other lawful source are made available for the purpose of paying any principal of or interest on the Series 2012E Bonds so as to enable the abatement of the Series 2012E Pledged Taxes, the Corporate Authorities shall, by proper proceedings, direct the deposit of such moneys into the Series 2012E Bond Fund and further direct the abatement of such taxes by the amount so deposited. The Village covenants and agrees that it will not direct the abatement of taxes until moneys have been deposited into the Series 2012E Bond Fund in the amount of such abatement. A certified copy or other notification of any such proceedings abating taxes may then be filed with the County Clerk in a timely manner to effect such abatement.

*Section 15. Non-Arbitrage and Tax-Exemption.* This section only applies to the Series 2012E Bonds and references in this Section to the “Bonds” are deemed to be references to the Series 2012E Bonds only. The Series 2012D Bonds are not being issued on a basis which is tax-exempt under the Code, and the Purchaser, by acceptance of the Series 2012D Bonds, acknowledges this fact and the interest rate on the Series 2012D Bonds has been established as a taxable interest rate.

One purpose of this Section is to set forth various facts regarding the Bonds and to establish the expectations of the Corporate Authorities and the Village as to future events regarding the Bonds and the use of Bond proceeds. The certifications, covenants and representations contained herein and at the time of the Closing are made on behalf of the Village for the benefit of the owners from time to time of the Bonds. In addition to providing the certifications, covenants and representations contained herein, the Village hereby covenants that

it will not take any action, omit to take any action or permit the taking or omission of any action within its control (including, without limitation, making or permitting any use of the proceeds of the Bonds) if taking, permitting or omitting to take such action would cause any of the Bonds to be an arbitrage bond or a private activity bond within the meaning of the Code, or would otherwise cause the interest on the Bonds to be included in the gross income of the recipients thereof for federal income tax purposes. The Village acknowledges that, in the event of an examination by the Internal Revenue Service (the “IRS”) of the exemption from Federal income taxation for interest paid on the Bonds, under present rules, the Village may be treated as a “taxpayer” in such examination and agrees that it will respond in a commercially reasonable manner to any inquiries from the IRS in connection with such an examination. The Corporate Authorities and the Village certify, covenant and represent as follows:

*1.1. Definitions.* In addition to such other words and terms used and defined in this Ordinance, the following words and terms used in this Section shall have the following meanings unless, in either case, the context or use clearly indicates another or different meaning is intended:

*“Private Business Use”* means any use of the Project by any Person other than a state or local government unit, including as a result of (i) ownership, (ii) actual or beneficial use pursuant to a lease or a management, service, incentive payment, research or output contract or (iii) any other similar arrangement, agreement or understanding, whether written or oral, except for use of the Project on the same basis as the general public. Private Business Use includes any formal or informal arrangement with any person other than a state or local governmental unit that conveys special legal entitlements to any portion of the Project that is available for use by the general public or that conveys to any person other than a state or local governmental unit any special economic benefit with respect to any portion of the Project that is not available for use by the general public.

*“Qualified Administrative Costs of Investments”* means (a) reasonable, direct administrative costs (other than carrying costs) such as separately stated brokerage or selling commissions but not legal and accounting fees, recordkeeping, custody and similar costs; or (b) all reasonable administrative costs, direct or indirect, incurred by a publicly offered regulated investment company or an External Commingled Fund.

*“Qualified Tax Exempt Obligations”* means (a) any obligation described in Section 103(a) of the Code, the interest on which is excludable from gross income of the owner thereof for federal income tax purposes and is not an item of tax preference for purposes of the alternative minimum tax imposed by Section 55 of the Code; (b) an

interest in a regulated investment company to the extent that at least ninety-five percent of the income to the holder of the interest is interest which is excludable from gross income under Section 103 of the Code of any owner thereof for federal income tax purposes and is not an item of tax preference for purposes of the alternative minimum tax imposed by Section 55 of the Code; and (c) certificates of indebtedness issued by the United States Treasury pursuant to the Demand Deposit State and Local Government Series program described in 31 C.F.R. pt. 344.

*"Yield"* means that discount rate which when used in computing the present value of all payments of principal and interest paid and to be paid on an obligation (using semiannual compounding on the basis of a 360-day year) produces an amount equal to the obligation's purchase price (or in the case of the Bonds, the issue price as established in paragraph 5.1 hereof), including accrued interest.

*"Yield Reduction Payment"* means a rebate payment or any other amount paid to the United States in the same manner as rebate amounts are required to be paid or at such other time or in such manner as the Internal Revenue Service may prescribe that will be treated as a reduction in Yield of an investment under the Regulations.

*2.1. Purpose of the Bonds.* The Bonds are being issued to finance the Project in a prudent manner consistent with the revenue needs of the Village. A breakdown of the sources and uses of funds is set forth in the preceding Section of this Ordinance. Except for any accrued interest on the Bonds used to pay first interest due on the Bonds, no proceeds of the Bonds will be used more than 30 days after the date of issue of the Bonds for the purpose of paying any principal or interest on any issue of bonds, notes, certificates or warrants or on any installment contract or other obligation of the Village or for the purpose of replacing any funds of the Village used for such purpose.

2.2. *The Project — Binding Commitment and Timing.* The Village has incurred or will, within six months of the Closing, incur a substantial binding obligation (not subject to contingencies within the control of the Village or any member of the same Controlled Group as the Village) to a third party to expend at least five percent of the Net Sale Proceeds on the Project. It is expected that the work of acquiring and constructing the Project and the expenditure of amounts deposited into the Project Fund will continue to proceed with due diligence through November 27, 2015, at which time it is anticipated that all Sale Proceeds and investment earnings thereon will have been spent.

2.3. *Reimbursement.* None of the Sale Proceeds or investment earnings thereon will be used for Reimbursed Expenditures.

2.4. *Working Capital.* All Sale Proceeds and investment earnings thereon will be used, directly or indirectly, to finance Capital Expenditures other than the following:

- (a) an amount not to exceed five percent of the Sale Proceeds for working capital expenditures directly related to Capital Expenditures financed by the Bonds;

- (b) payments of interest on the Bonds for a period commencing at Closing and ending on the later of the date three years after Closing or one year after the date on which the Project is Placed-in-Service;

- (c) Costs of Issuance and Qualified Administrative Costs of Investments;

- (d) payments of rebate or Yield Reduction Payments made to the United States under the Regulations;

- (e) principal of or interest on the Bonds paid from unexpected excess Sale Proceeds and investment earnings thereon; and

- (f) investment earnings that are commingled with substantial other revenues and are expected to be allocated to expenditures within six months.

2.5. *Consequences of Contrary Expenditure.* The Village acknowledges that if Sale Proceeds and investment earnings thereon are spent for non-Capital Expenditures other than as permitted by paragraph 2.4 hereof, a like amount of then available funds of the Village will be treated as unspent Sale Proceeds.

2.6. *Payments to Village or Related Persons.* The Village acknowledges that if Sale Proceeds or investment earnings thereon are transferred to or paid to the Village or any member of the same Controlled Group as the Village, those amounts will not be treated as having been spent for federal income tax purposes. However, Sale Proceeds or investment earnings thereon will be allocated to expenditures for federal income tax purposes if the Village uses such amounts to reimburse itself for amounts paid to persons other than the Village or any member of the same Controlled Group as the Village,

*provided* that the original expenditures were paid on or after Closing or are permitted under paragraph 2.3 of this Section, and *provided* that the original expenditures were not otherwise paid out of Sale Proceeds or investment earnings thereon or the proceeds of any other borrowing. In addition, investment earnings may be allocated to expenditures to the extent provided in paragraph 2.4(f) of this Section. Any Sale Proceeds or investment earnings thereon that are transferred to or paid to the Village or any member of the same Controlled Group as the Village will remain Sale Proceeds or investment earnings thereon, and thus Gross Proceeds, until such amounts are allocated to expenditures for federal income tax purposes. If the Village does not allocate any such amounts to expenditures for the Project or other expenditures permitted under this Ordinance, any such amounts will be allocated for federal income tax purposes to the next expenditures, not otherwise paid out of Sale Proceeds or investment earnings thereon or the proceeds of any other borrowing, for interest on the Bonds prior to the later of the date three years after Closing or one year after the date on which the Project is Placed-in-Service. The Village will consistently follow this accounting method for federal income tax purposes.

*2.7. Investment of Bond Proceeds.* Not more than 50% of the Sale Proceeds and investment earnings thereon are or will be invested in investments (other than Qualified Tax Exempt Obligations) having a Yield that is substantially guaranteed for four years or more. No portion of the Bonds is being issued solely for the purpose of investing a portion of Sale Proceeds or investment earnings thereon at a Yield higher than the Yield on the Bonds.

It is expected that the Sale Proceeds deposited into the Project Fund, including investment earnings on the Project Fund, will be spent to pay costs of the Project and interest on the Bonds not later than the date set forth in paragraph 2.2 hereof, the investment earnings on the Series 2012E Bond Fund will be spent to pay interest on the Bonds, or to the extent permitted by law, investment earnings on amounts in the Project Fund and the Series 2012E Bond Fund will be commingled with substantial revenues from the governmental operations of the Village, and the earnings are reasonably expected to be spent for governmental purposes within six months of the date earned. Interest earnings on the Project Fund and the Series 2012E Bond Fund have not been earmarked or restricted by the Corporate Authorities for a designated purpose.

*2.8. No Grants.* None of the Sale Proceeds or investment earnings thereon will be used to make grants to any person.

*2.9. Hedges.* Neither the Village nor any member of the same Controlled Group as the Village has entered into or expects to enter into any hedge (*e.g.*, an interest rate swap, interest rate cap, futures contract, forward contract or an option) with respect to the Bonds. The Village acknowledges that any such hedge could affect, among other things, the calculation of Bond Yield under the Regulations. The Internal Revenue Service could recalculate Bond Yield if the failure to account for the hedge fails to clearly reflect the economic substance of the transaction.

The Village also acknowledges that if it acquires a hedging contract with an investment element (including *e.g.* an off-market swap agreement, or any cap agreement for which all or a portion of the premium is paid at, or before the effective date of the cap agreement), then a portion of such hedging contract may be treated as an investment of Gross Proceeds of the Bonds, and be subject to the fair market purchase price rules, rebate and yield restriction. The Village agrees not to use proceeds of the Bonds to pay for any such hedging contract in whole or in part. The Village also agrees that it will not give any assurances to any Bond holder or any other credit or liquidity enhancer with respect to the Bonds that any such hedging contract will be entered into or maintained. The Village recognizes that if a portion of a hedging contract is determined to be an investment of gross proceeds, such portion may not be fairly priced even if the hedging contract as a whole is fairly priced.

*2.10. Internal Revenue Service Audits.* The Village represents that the Internal Revenue Service has not contacted the Village regarding any obligations issued by or on behalf of the Village. To the best of the knowledge of the Village, no such obligations of the Village are currently under examination by the Internal Revenue Service.

*3.1. Use of Proceeds.* (a) The use of the Sale Proceeds and investment earnings thereon and the funds held under this Ordinance at the time of Closing are described in the preceding Section of this Ordinance. No Sale Proceeds will be used to pre-pay for goods or services to be received over a period of years prior to the date such goods or services are to be received. No Sale Proceeds or any investment earnings thereon will be used to pay for or otherwise acquire goods or services from the Village, any member of the same Controlled Group as the Village, or an Affiliated Person.

(b) Only the funds and accounts described in said Section will be funded at Closing. There are no other funds or accounts created under this Ordinance, other than the Rebate Fund if it is created as provided in paragraph 4.2 hereof.

(c) Principal of and interest on the Bonds will be paid from the Series 2012E Bond Fund.

(d) Any Costs of Issuance incurred in connection with the issuance of the Bonds to be paid by the Village will be paid at the time of Closing.

(e) The costs of the Project will be paid from the Project Fund and no other moneys (except for investment earnings on amounts in the Project Fund) are expected to be deposited therein.

*3.2. Purpose of Series 2012E Bond Fund.* The Series 2012E Bond Fund will be used primarily to achieve a proper matching of revenues and earnings with principal and interest payments on the Bonds in each bond year. It is expected that the Series 2012E Bond Fund will be depleted at least once a year, except for a reasonable carry over amount not to exceed the greater of (a) the earnings on the investment of moneys in the

Series 2012E Bond Fund for the immediately preceding bond year or (b) 1/12th of the principal and interest payments on the Bonds for the immediately preceding bond year.

3.3. *No Other Gross Proceeds.* (a) Except for the Series 2012E Bond Fund and the Project Fund, and except for investment earnings that have been commingled as described in paragraph 2.6 and any credit enhancement or liquidity device related to the Bonds, after the issuance of the Bonds, neither the Village nor any member of the same Controlled Group as the Village has or will have any property, including cash, securities or any other property held as a passive vehicle for the production of income or for investment purposes, that constitutes:

(i) Sale Proceeds;

(ii) amounts in any fund or account with respect to the Bonds (other than the Rebate Fund);

(iii) amounts that have a sufficiently direct nexus to the Bonds or to the governmental purpose of the Bonds to conclude that the amounts would have been used for that governmental purpose if the Bonds were not used or to be used for that governmental purpose (the mere availability or preliminary earmarking of such amounts for a governmental purpose, however, does not itself establish such a sufficient nexus);

(iv) amounts in a debt service fund, redemption fund, reserve fund, replacement fund or any similar fund to the extent reasonably expected to be used directly or indirectly to pay principal of or interest on the Bonds or any amounts for which there is provided, directly or indirectly, a reasonable assurance that the amount will be available to pay principal of or interest on the Bonds or any obligations under any credit enhancement or liquidity device with respect to the Bonds, even if the Village encounters financial difficulties;

(v) any amounts held pursuant to any agreement (such as an agreement to maintain certain levels of types of assets) made for the benefit of the Bondholders or any credit enhancement provider, including any liquidity device or negative pledge (*e.g.*, any amount pledged to pay principal of or interest on an issue held under an agreement to maintain the amount at a particular level for the direct or indirect benefit of holders of the Bonds or a guarantor of the Bonds); or

(vi) amounts actually or constructively received from the investment and reinvestment of the amounts described in (i) or (ii) above.

(b) No compensating balance, liquidity account, negative pledge of property held for investment purposes required to be maintained at least at a particular level or similar arrangement exists with respect to, in any way, the Bonds or any credit enhancement or liquidity device related to the Bonds.

(c) The term of the Bonds is not longer than is reasonably necessary for the governmental purposes of the Bonds. The average reasonably expected economic life of the Project is at least 2 years. The weighted average maturity of the Bonds does not exceed 2 years and does not exceed 120 percent of the average reasonably expected economic life of the Project. The maturity schedule of the Bonds (the "*Principal Payment Schedule*") is based on an analysis of revenues expected to be available to pay debt service on the Bonds. The Principal Payment Schedule is not more rapid (*i.e.*, having a lower average maturity) because a more rapid schedule would place an undue burden on tax rates and cause such rates to be increased beyond prudent levels, and would be inconsistent with the governmental purpose of the Bonds as set forth in paragraph 2.1 hereof.

4.1. *Compliance with Rebate Provisions.* The Village covenants to take such actions and make, or cause to be made, all calculations, transfers and payments that may be necessary to comply with the Rebate Provisions applicable to the Bonds. The Village will make, or cause to be made, rebate payments with respect to the Bonds in accordance with law.

4.2. *Rebate Fund.* The Village is hereby authorized to create and establish a special fund to be known as the Rebate Fund (the "*Rebate Fund*"), which, if created, shall be continuously held, invested, expended and accounted for in accordance with this Ordinance. Moneys in the Rebate Fund shall not be considered moneys held for the benefit of the owners of the Bonds. Except as provided in the Regulations, moneys in the Rebate Fund (including earnings and deposits therein) shall be held in trust for payment to the United States as required by the Rebate Provisions and by the Regulations and as contemplated under the provisions of this Ordinance.

4.3. *Records.* The Village agrees to keep and retain or cause to be kept and retained for the period described in paragraph 7.9 adequate records with respect to the investment of all Gross Proceeds and amounts in the Rebate Fund. Such records shall include: (a) purchase price; (b) purchase date; (c) type of investment; (d) accrued interest paid; (e) interest rate; (f) principal amount; (g) maturity date; (h) interest payment date; (i) date of liquidation; and (j) receipt upon liquidation.

If any investment becomes Gross Proceeds on a date other than the date such investment is purchased, the records required to be kept shall include the fair market value of such investment on the date it becomes Gross Proceeds. If any investment is retained after the date the last Bond is retired, the records required to be kept shall include the fair market value of such investment on the date the last Bond is retired. Amounts or investments will be segregated whenever necessary to maintain these records.

4.4. *Fair Market Value; Certificates of Deposit and Investment Agreements.* The Village will continuously invest all amounts on deposit in the Rebate Fund, together with the amounts, if any, to be transferred to the Rebate Fund, in any investment permitted under this Ordinance. In making investments of Gross Proceeds or of amounts in the Rebate Fund the Village shall take into account prudent investment standards and the date

on which such moneys may be needed. Except as provided in the next sentence, all amounts that constitute Gross Proceeds and all amounts in the Rebate Fund shall be invested at all times to the greatest extent practicable, and no amounts may be held as cash or be invested in zero yield investments other than obligations of the United States purchased directly from the United States. In the event moneys cannot be invested, other than as provided in this sentence due to the denomination, price or availability of investments, the amounts shall be invested in an interest bearing deposit of a bank with a yield not less than that paid to the general public or held uninvested to the minimum extent necessary.

Gross Proceeds and any amounts in the Rebate Fund that are invested in certificates of deposit or in GICs shall be invested only in accordance with the following provisions:

(a) Investments in certificates of deposit of banks or savings and loan associations that have a fixed interest rate, fixed payment schedules and substantial penalties for early withdrawal shall be made only if either (i) the Yield on the certificate of deposit (A) is not less than the Yield on reasonably comparable direct obligations of the United States and (B) is not less than the highest Yield that is published or posted by the provider to be currently available from the provider on reasonably comparable certificates of deposit offered to the public or (ii) the investment is an investment in a GIC and qualifies under paragraph (b) below.

(b) Investments in GICs shall be made only if

(i) the bid specifications are in writing, include all material terms of the bid and are timely forwarded to potential providers (a term is material if it may directly or indirectly affect the yield on the GIC);

(ii) the terms of the bid specifications are commercially reasonable (a term is commercially reasonable if there is a legitimate business purpose for the term other than to reduce the yield on the GIC);

(iii) all bidders for the GIC have equal opportunity to bid so that, for example, no bidder is given the opportunity to review other bids (a last look) before bidding;

(iv) any agent used to conduct the bidding for the GIC does not bid to provide the GIC;

(v) at least three of the providers solicited for bids for the GIC are reasonably competitive providers of investments of the type purchased (*i.e.*, providers that have established industry reputations as competitive providers of the type of investments being purchased);

(vi) at least three of the entities that submit a bid do not have a financial interest in the Bonds;

(vii) at least one of the entities that provided a bid is a reasonably competitive provider that does not have a financial interest in the Bonds;

(viii) the bid specifications include a statement notifying potential providers that submission of a bid is a representation that the potential provider did not consult with any other provider about its bid, that the bid was determined without regard to any other formal or informal agreement that the potential provider has with the Village or any other person (whether or not in connection with the Bonds) and that the bid is not being submitted solely as a courtesy to the Village or any other person for purposes of satisfying the federal income tax requirements relating to the bidding for the GIC;

(ix) the determination of the terms of the GIC takes into account the reasonably expected deposit and drawdown schedule for the amounts to be invested;

(x) the highest-yielding GIC for which a qualifying bid is made (determined net of broker's fees) is in fact purchased; and

(xi) the obligor on the GIC certifies the administrative costs that it is paying or expects to pay to third parties in connection with the GIC.

(c) If a GIC is purchased, the Village will retain the following records with its bond documents until three years after the Bonds are redeemed in their entirety:

(i) a copy of the GIC;

(ii) the receipt or other record of the amount actually paid for the GIC, including a record of any administrative costs paid, and the certification under subparagraph (b)(xi) of this paragraph;

(iii) for each bid that is submitted, the name of the person and entity submitting the bid, the time and date of the bid, and the bid results; and

(iv) the bid solicitation form and, if the terms of the GIC deviated from the bid solicitation form or a submitted bid is modified, a brief statement explaining the deviation and stating the purpose for the deviation.

Moneys to be rebated to the United States shall be invested to mature on or prior to the anticipated rebate payment date. All investments made with Gross Proceeds or

amounts in the Rebate Fund shall be bought and sold at fair market value. The fair market value of an investment is the price at which a willing buyer would purchase the investment from a willing seller in a bona fide, arm's length transaction. Except for investments specifically described in this Section and United States Treasury obligations that are purchased directly from the United States Treasury, only investments that are traded on an established securities market, within the meaning of regulations promulgated under Section 1273 of the Code, will be purchased with Gross Proceeds. In general, an "established securities market" includes: (i) property that is listed on a national securities exchange, an interdealer quotation system or certain foreign exchanges; (ii) property that is traded on a Commodities Futures Trading Commission designated board of trade or an interbank market; (iii) property that appears on a quotation medium; and (iv) property for which price quotations are readily available from dealers and brokers. A debt instrument is not treated as traded on an established market solely because it is convertible into property which is so traded.

An investment of Gross Proceeds in an External Commingled Fund shall be made only to the extent that such investment is made without an intent to reduce the amount to be rebated to the United States Government or to create a smaller profit or a larger loss than would have resulted if the transaction had been at arm's length and had the rebate or Yield restriction requirements not been relevant to the Village. An investment of Gross Proceeds shall be made in a Commingled Fund other than an External Commingled Fund only if the investments made by such Commingled Fund satisfy the provisions of this paragraph.

A single investment, or multiple investments awarded to a provider based on a single bid may not be used for funds subject to different rules relating to rebate or yield restriction.

The foregoing provisions of this paragraph satisfy various safe harbors set forth in the Regulations relating to the valuation of certain types of investments. The safe harbor provisions of this paragraph are contained herein for the protection of the Village, who has covenanted not to take any action to adversely affect the tax-exempt status of the interest on the Bonds. The Village will contact Bond Counsel if it does not wish to comply with the provisions of this paragraph and forego the protection provided by the safe harbors provided herein.

*4.5. Arbitrage Elections.* The Designated Officers of the Village are hereby authorized to execute one or more elections regarding certain matters with respect to arbitrage.

*4.6. Small Issuer Exception.* The Village is a governmental unit that has the power to impose a tax or to cause another entity to impose a tax of general applicability that, when collected, may be used for the governmental purposes of the Village. The power to impose such tax is not contingent on approval by another governmental unit; a tax of general applicability is one that is not limited to a small number of persons. The Village is not subject to Control by any other governmental unit or political subdivision.

None of the Bonds is or will be a "private activity bond" (as defined in Section 141 of the Code). Ninety-five percent or more of the Sale Proceeds and investment earnings thereon will be used for local governmental bonds, qualified tax credit bonds or direct pay activities of the Village. None of the Village, any entity that issues tax-exempt bonds, qualified tax credit bonds or direct pay bonds on behalf of the Village or any entity subject to Control by the Village will issue, during the calendar year 2012, any tax-exempt bonds (other than the Bonds, the General Obligation Refunding Bonds (Alternate Revenue Source), Series 2012B Bonds (the "*Series 2012B Bonds*") and General Obligation Limited Tax Bonds, Series 2012C (the "*Series 2012C Bonds*") and current refunding bonds to the extent of the aggregate face amount of the tax-exempt bonds currently refunded thereby), qualified tax credit bonds or direct pay bonds in an aggregate face amount in excess of the *maximum aggregate face amount* (as hereinafter defined). As used herein, (a) "*tax-exempt bonds*" means obligations of any kind, the interest on which is excludable from gross income of the holders or owners thereof for federal income tax purposes pursuant to Section 103 of the Code but not including (i) "private activity bonds" (as defined in Section 141 of the Code) or (ii) obligations issued to refund another obligation if it is issued not more than 90 days before the redemption of the refunded obligation to the extent the amount of the refunding obligation does not exceed the outstanding amount of the refunded obligation, (b) "*aggregate face amount*" means, if an issue has more than a De minimis Amount of Original Issue Discount or Premium, the issue price of the issue and otherwise means the principal amount of the issue, (c) "*maximum aggregate face amount*" means \$5,000,000, (d) "*qualified tax credit bonds*" means any qualified tax credit bond (as defined in Section 54A(d) of the Code) or any "build America bond" that is not a qualified bond under Section 6431 of the Code and (e) "*direct pay bonds*" means any bond treated as a qualified bond as defined in Section 6431 of the Code. As of the date hereof, no tax-exempt bonds, qualified tax credit bonds, direct pay bonds or other obligations subject to arbitrage restrictions (other than the Bonds, the Series 2012B Bonds and the Series 2012C Bonds) have been issued by the Village, any entity that issues bonds on behalf of the Village or any entity subject to Control by the Village during the calendar year 2012. The Village does not reasonably expect that it, any entity that issues tax-exempt bonds on behalf of the Village or any entity subject to Control by the Village (including but not limited to the Village) will issue any tax-exempt bonds, qualified tax credit bonds, direct pay bonds or other obligations subject to arbitrage restrictions within calendar year 2012. Therefore, subject to compliance with all the terms and provisions hereof, the Village is excepted from the required rebate of arbitrage profits on the Bonds under Section 148(f)(4)(D) of the Code and from the terms and provisions of this Ordinance that need only be complied with if the Village is subject to the arbitrage rebate requirement.

*5.1. Issue Price.* For purposes of determining the Yield on the Bonds, the purchase price of the Bonds is equal to the price at which the Village sold the Bonds to the Purchaser, such price amounting to \$237,805 consisting of \$237,805 for principal and \$0 for accrued interest. The Purchaser has certified in its investor letter, dated November 27, 2012, that it does not intend to resell the Bonds.

5.2. *Yield Limits.* Except as provided in paragraph (a) or (b), all Gross Proceeds shall be invested at market prices and at a Yield (after taking into account any Yield Reduction Payments) not in excess of the Yield on the Bonds plus, if only amounts in the Project Fund are subject to this yield limitation, 1/8th of one percent.

The following may be invested without Yield restriction:

(a)(i) amounts on deposit in the Series 2012E Bond Fund (except for capitalized interest) that have not been on deposit under the Ordinance for more than 13 months, so long as the Series 2012E Bond Fund continues to qualify as a bona fide debt service fund as described in paragraph 3.2 hereof;

(ii) amounts on deposit in the Project Fund that are reasonably expected to pay for the costs of the Project, costs of issuance of the Bonds, or interest on the Bonds during the three year period beginning on the date of issue of the Bonds prior to three years after Closing;

(iii) amounts in the Series 2012E Bond Fund to be used to pay capitalized interest on the Bonds prior to the earlier of three years after Closing or the payment of all capitalized interest;

(b)(i) An amount not to exceed the lesser of \$100,000 or five percent of the Sale Proceeds;

(ii) amounts invested in Qualified Tax Exempt Obligations (to the extent permitted by law and this Ordinance);

(iii) amounts in the Rebate Fund;

(iv) all amounts other than Sale Proceeds for the first 30 days after they become Gross Proceeds; and

(v) all amounts derived from the investment of Sale Proceeds or investment earnings thereon for a period of one year from the date received.

5.3. *Continuing Nature of Yield Limits.* Except as provided in paragraph 7.10 hereof, once moneys are subject to the Yield limits of paragraph 5.2 hereof, such moneys remain Yield restricted until they cease to be Gross Proceeds.

5.4. *Federal Guarantees.* Except for investments meeting the requirements of paragraph 5.2(a) hereof, investments of Gross Proceeds shall not be made in (a) investments constituting obligations of or guaranteed, directly or indirectly, by the United States (except obligations of the United States Treasury, or investments in obligations issued pursuant to Section 21B(d)(3) of the Federal Home Loan Bank, as amended (*e.g.*, Refcorp Strips)); or (b) federally insured deposits or accounts (as defined in Section 149(b)(4)(B) of the Code). Except as otherwise permitted in the immediately

prior sentence and in the Regulations, no portion of the payment of principal or interest on the Bonds or any credit enhancement or liquidity device relating to the foregoing is or will be guaranteed, directly or indirectly (in whole or in part), by the United States (or any agency or instrumentality thereof), including a lease, incentive payment, research or output contract or any similar arrangement, agreement or understanding with the United States or any agency or instrumentality thereof. No portion of the Gross Proceeds has been or will be used to make loans the payment of principal or interest with respect to which is or will be guaranteed (in whole or in part) by the United States (or any agency or instrumentality thereof). Neither this paragraph nor paragraph 5.5 hereof applies to any guarantee by the Federal Housing Administration, the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Government National Mortgage Association, the Student Loan Marketing Association or the Bonneville Power Administration pursuant to the Northwest Power Act (16 U.S.C. 839d) as in effect on the date of enactment of the Tax Reform Act of 1984.

*5.5. Investments After the Expiration of Temporary Periods, Etc.* After the expiration of the temporary period set forth in paragraph 5.2(a)(ii) hereof, amounts in the Project Fund may not be invested in (i) federally insured deposits or accounts (as defined in Section 149(b)(4)(B) of the Code) or (ii) investments constituting obligations of or guaranteed, directly or indirectly, by the United States (except obligations of the United States Treasury or investments in obligations issued pursuant to Section 21B(d)(3) of the Federal Home Loan Bank Act, as amended (e.g., Refcorp Strips). Any other amounts that are subject to the yield limitation in paragraph 5.2 hereof because paragraph 5.2(a) hereof is not applicable and amounts not subject to yield restriction only because they are described in paragraph 5.2(b) hereof, are also subject to the limitation set forth in the preceding sentence.

*6.1. Payment and Use Tests.* (a) No more than five percent of the Sale Proceeds plus investment earnings thereon will be used, directly or indirectly, in whole or in part, in any Private Business Use. The Village acknowledges that, for purposes of the preceding sentence, Gross Proceeds used to pay costs of issuance and other common costs (such as capitalized interest and fees paid for a qualified guarantee or qualified hedge) or invested in a reserve or replacement fund must be ratably allocated among all the purposes for which Gross Proceeds are being used.

(b) The payment of more than five percent of the principal of or the interest on the Bonds will not be, directly or indirectly (i) secured by any interest in (A) property used or to be used in any Private Business Use or (B) payments in respect of such property or (ii) on a present value basis, derived from payments (whether or not to the Village or a member of the same Controlled Group as the Village) in respect of property, or borrowed money, used or to be used in any Private Business Use.

(c) No more than the lesser of five percent of the sum of the Sale Proceeds and investment earnings thereon or \$5,000,000 will be used, directly or indirectly, to make or finance loans to any persons. The Village acknowledges that, for purposes of the preceding sentence, Gross Proceeds used to pay costs of issuance and other common

costs (such as capitalized interest and fees paid for a qualified guarantee or qualified hedge) or invested in a reserve or replacement fund must be ratably allocated among all the purposes for which Gross Proceeds are being used.

(d) No user of the Project other than a state or local governmental unit will use more than five percent of the Project, in the aggregate, on any basis other than the same basis as the general public.

6.2. *I.R.S. Form 8038-G.* The information contained in the Information Return for Tax-Exempt Governmental Obligations, Form 8038-G, is true and complete. The Village will file Form 8038-G (and all other required information reporting forms) in a timely manner.

6.3. *Bank Qualification.* (a) The Village hereby designates each of the Bonds as a “qualified tax-exempt obligation” for the purposes and within the meaning of Section 265(b)(3) of the Code. In support of such designation, the Village hereby certifies that (i) none of the Bonds will be at anytime a “private activity bond” (as defined in Section 141 of the Code), (ii) as of the date hereof in calendar year 2012, other than the Bonds, the Series 2012B Bonds and the Series 2012C Bonds, no tax-exempt obligations of any kind have been issued (x) by or on behalf of the Village, (y) by other issuers any of the proceeds of which have been or will be used to make any loans to the Village or (z) any portion of which has been allocated to the Village for purposes of Section 265(b) of the Code and (iii) not more than \$10,000,000 of obligations of any kind (including the Bonds, the Series 2012B Bonds and the Series 2012C Bonds) issued (x) by or on behalf of the Village, (y) by other issuers any of the proceeds of which have been or will be used to make any loans to the Village or (z) any portion of which has been allocated to the Village for purposes of Section 265(b) of the Code during calendar year 2012 will be designated for purposes of Section 265(b)(3) of the Code.

(b) The Village is not subject to Control by any entity, and there are no entities subject to Control by the Village.

(c) On the date hereof, the Village does not reasonably anticipate that for calendar year 2012 it will issue, have another entity issue on behalf of the Village, borrow the proceeds of or have allocated to the Village for purposes of Section 265(b) of the Code more than \$10,000,000 Section 265 Tax-Exempt Obligations (including the Bonds, the Series 2012B Bonds and the Series 2012C Bonds). “Section 265 Tax-Exempt Obligations” are obligations the interest on which is excludable from gross income of the owners thereof under Section 103 of the Code, except for private activity bonds other than qualified 501(c)(3) bonds, both as defined in Section 141 of the Code. The Village will not, in calendar year 2012 issue, permit the issuance on behalf of it or by any entity subject to Control by the Village (which may hereafter come into existence), borrow the proceeds of or have allocated to it for purposes of Section 265(b) of the Code Section 265 Tax-Exempt Obligations (including the Bonds, Series 2012B Bonds and Series 2012C Bonds) that exceed the aggregate amount of \$10,000,000 during calendar year 2012 unless it first obtains an opinion of Bond Counsel to the effect that such issuance,

borrowing or allocation will not adversely affect the treatment of the Bonds as “qualified tax-exempt obligations” for the purpose and within the meaning of Section 265(b)(3) of the Code.

(d) The Bonds have not been sold in conjunction with any obligation other than the Series 2012D Bonds.

*7.1. Termination; Interest of Village in Rebate Fund.* The terms and provisions set forth in this Section shall terminate at the later of (a) 75 days after the Bonds have been fully paid and retired or (b) the date on which all amounts remaining on deposit in the Rebate Fund, if any, shall have been paid to or upon the order of the United States and any other payments required to satisfy the Rebate Provisions of the Code have been made to the United States. Notwithstanding the foregoing, the provisions of paragraphs 4.3, 4.4(c) and 7.9 hereof shall not terminate until the third anniversary of the date the Bonds are fully paid and retired.

*7.2. Separate Issue.* Since a date that is 15 days prior to the date of sale of the Bonds by the Village to the Purchaser, neither the Village nor any member of the same Controlled Group as the Village has sold or delivered any tax-exempt obligations other than the Bonds that are reasonably expected to be paid out of substantially the same source of funds as the Bonds. Neither the Village nor any member of the same Controlled Group as the Village will sell or deliver within 15 days after the date of sale of the Bonds any tax-exempt obligations other than the Bonds that are reasonably expected to be paid out of substantially the same source of funds as the Bonds.

*7.3. No Sale of the Project.* (a) Other than as provided in the next sentence, neither the Project nor any portion thereof has been, is expected to be, or will be sold or otherwise disposed of, in whole or in part, prior to the earlier of (i) the last date of the reasonably expected economic life to the Village of the property (determined on the date of issuance of the Bonds) or (ii) the last maturity date of the Bonds. The Village may dispose of personal property in the ordinary course of an established government program prior to the earlier of (i) the last date of the reasonably expected economic life to the Village of the property (determined on the date of issuance of the Bonds) or (ii) the last maturity of the Bonds, provided: (A) the weighted average maturity of the Bonds financing the personal property is not greater than 120 percent of the reasonably expected actual use of that property for governmental purposes; (B) the Village reasonably expects on the issue date that the fair market value of that property on the date of disposition will be not greater than 25 percent of its cost; (C) the property is no longer suitable for its governmental purposes on the date of disposition; and (D) the Village deposits amounts received from the disposition in a commingled fund with substantial tax or other governmental revenues and the Village reasonably expects to spend the amounts on governmental programs within six months from the date of the commingling.

(b) The Village acknowledges that if Bond-financed property is sold or otherwise disposed of in a manner contrary to (a) above, such sale or disposition may constitute a “deliberate action” within the meaning of the Regulations that may require

remedial actions to prevent the Bonds from becoming private activity bonds. The Village shall promptly contact Bond Counsel if a sale or other disposition of bond-financed property is considered by the Village.

*7.4. Purchase of Bonds by Village.* The Village will not purchase any of the Bonds except to cancel such Bonds.

*7.5. Final Maturity.* The period between the date of Closing and the final maturity date of the Bonds is not more than 10-1/2 years.

*7.6. Registered Form.* The Village recognizes that Section 149(a) of the Code requires the Bonds to be issued and to remain in fully registered form in order that interest thereon be exempt from federal income taxation under laws in force at the time the Bonds are delivered. In this connection, the Village agrees that it will not take any action to permit the Bonds to be issued in, or converted into, bearer or coupon form.

*7.7. First Amendment.* The Village acknowledges and agrees that it will not use, or allow the Project to be used, in a manner which is prohibited by the Establishment of Religion Clause of the First Amendment to the Constitution of the United States of America or by any comparable provisions of the Constitution of the State of Illinois.

*7.8. Future Events.* The Village acknowledges that any changes in facts or expectations from those set forth herein may result in different Yield restrictions or rebate requirements from those set forth herein. The Village shall promptly contact Bond Counsel if such changes do occur.

*7.9. Records Retention.* The Village agrees to keep and retain or cause to be kept and retained sufficient records to support the continued exclusion of the interest paid on the Bonds from federal income taxation, to demonstrate compliance with the covenants in this Ordinance and to show that all tax returns related to the Bonds submitted or required to be submitted to the Internal Revenue Service are correct and timely filed. Such records shall include, but are not limited to, basic records relating to the Bond transaction (including this Ordinance and the Bond Counsel opinion); documentation evidencing the expenditure of Bond proceeds; documentation evidencing the use of Bond-financed property by public and private entities (*i.e.*, copies of leases, management contracts and research agreements); documentation evidencing all sources of payment or security for the Bonds; and documentation pertaining to any investment of Bond proceeds (including the information required under paragraphs 4.3 and 4.4 hereof and in particular information related to the purchase and sale of securities, SLGs subscriptions, yield calculations for each class of investments, actual investment income received from the investment of proceeds, guaranteed investment contracts and documentation of any bidding procedure related thereto and any fees paid for the acquisition or management of investments and any rebate calculations). Such records shall be kept for as long as the Bonds are outstanding, plus three (3) years after the later of the final payment date of the Bonds or the final payment date of any obligations or series of obligations issued to refund directly or indirectly all or any portion of the Bonds.

*7.10. Permitted Changes; Opinion of Bond Counsel.* The Yield restrictions contained in paragraph 5.2 hereof or any other restriction or covenant contained herein need not be observed or may be changed if such nonobservance or change will not result in the loss of any exemption for the purpose of federal income taxation to which interest on the Bonds is otherwise entitled and the Village receives an opinion of Bond Counsel to such effect. Unless the Village otherwise directs, such opinion shall be in such form and contain such disclosures and disclaimers as may be required so that such opinion will not be treated as a covered opinion or a state or local bond opinion for purposes of Treasury Department regulations governing practice before the Internal Revenue Service (Circular 230) 31 C.F.R. pt. 10.

*7.11. Successors and Assigns.* The terms, provisions, covenants and conditions of this Section shall bind and inure to the benefit of the respective successors and assigns of the Corporate Authorities and the Village.

*7.12. Expectations.* The Corporate Authorities have reviewed the facts, estimates and circumstances in existence on the date of issuance of the Bonds. Such facts, estimates and circumstances, together with the expectations of the Village as to future events, are set forth in summary form in this Section. Such facts and estimates are true and are not incomplete in any material respect. On the basis of the facts and estimates contained herein, the Village has adopted the expectations contained herein. On the basis of such facts, estimates, circumstances and expectations, it is not expected that Sale Proceeds, investment earnings thereon or any other moneys or property will be used in a manner that will cause the Bonds to be arbitrage bonds within the meaning of the Rebate Provisions and the Regulations. Such expectations are reasonable and there are no other facts, estimates and circumstances that would materially change such expectations.

The Village also agrees and covenants with the purchasers and holders of the Bonds from time to time outstanding that, to the extent possible under Illinois law, it will comply with whatever federal tax law is adopted in the future which applies to the Bonds and affects the tax-exempt status of the Bonds.

The Corporate Authorities hereby authorize the officials of the Village responsible for issuing the Bonds, the same being the Designated Officers, to make such further covenants and certifications as may be necessary to assure that the use thereof will not cause the Bonds to be arbitrage bonds and to assure that the interest on the Bonds will be exempt from federal income taxation. In connection therewith, the Village and the Corporate Authorities further agree: (a) through their officers, to make such further specific covenants, representations as shall be

truthful, and assurances as may be necessary or advisable; (b) to consult with counsel approving the Bonds and to comply with such advice as may be given; (c) to pay to the United States, as necessary, such sums of money representing required rebates of excess arbitrage profits relating to the Bonds; (d) to file such forms, statements, and supporting documents as may be required and in a timely manner; and (e) if deemed necessary or advisable by their officers, to employ and pay fiscal agents, financial advisors, attorneys, and other persons to assist the Village in such compliance.

*Section 16. Registered Form.* The Village recognizes that Section 149 of the Code requires the Series 2012E Bonds to be issued and to remain in fully registered form in order to be and remain Tax-exempt. In this connection, the Village agrees that it will not take any action to permit the Series 2012E Bonds to be issued in, or converted into, bearer or coupon form.

*Section 17. Opinion of Counsel Exception.* The Village reserves the right to use or invest moneys in connection with the Bonds in any manner, notwithstanding the tax-related covenants set forth in Section 15 herein, provided it shall first have received an opinion from Bond Counsel or an attorney or a firm of attorneys of nationally recognized standing as bond counsel to the effect that use or investment of such moneys as contemplated is valid and proper under applicable law and this Ordinance and, further, will not adversely affect the Tax-exempt status for the Series 2012E Bonds.

*Section 18. Rights and Duties of Bond Registrar and Paying Agent.* If requested by the Bond Registrar or the Paying Agent, or both, any officer of the Village is authorized to execute standard forms of agreements between the Village and the Bond Registrar or Paying Agent with respect to the obligations and duties of the Bond Registrar or Paying Agent hereunder. In addition to the terms of such agreements and subject to modification thereby, the Bond Registrar and Paying Agent by acceptance of duties hereunder agree:

(a) to act as bond registrar, paying agent, authenticating agent, and transfer agent as provided herein;

(b) as to the Bond Registrar, to maintain a list of Bondholders as set forth herein and to furnish such list to the Village upon request, but otherwise to keep such list confidential to the extent permitted by law;

(c) as to the Bond Registrar, to cancel and/or destroy Bonds which have been paid at maturity or submitted for exchange or transfer;

(d) as to the Bond Registrar, to furnish the Village at least annually a certificate with respect to Bonds cancelled and/or destroyed; and

(e) to furnish the Village at least annually an audit confirmation of Bonds paid, Bonds outstanding and payments made with respect to interest on the Bonds.

The Village Clerk of the Village is hereby directed to file a certified copy of this Ordinance with the Bond Registrar and the Paying Agent.

*Section 19. Publication of Ordinance.* A full, true and complete copy of this Ordinance shall be published within ten days after passage in pamphlet form by authority of the Corporate Authorities.

*Section 20. Severability.* If any section, paragraph, clause or provision of this Ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this Ordinance.

*Section 21. Superseder and Effective Date.* All ordinances, resolutions and orders, or parts thereof, in conflict herewith, are to the extent of such conflict hereby superseded and this Ordinance shall be in full force and effect immediately upon its passage, approval and publication.

### CERTIFICATION OF MINUTES AND ORDINANCE

I, the undersigned, do hereby certify that I am the duly qualified and acting Village Clerk of the Village of Willow Springs, Cook County, Illinois (the "*Village*"), and as such official I am the keeper of the official journal of proceedings, books, records, minutes and files of the Village and of the President and Board of Trustees (the "*Corporate Authorities*") thereof.

I do further certify that the foregoing is a full, true and complete transcript of that portion of the minutes of the meeting of the Corporate Authorities held on the 8th day of November, 2012, insofar as the same relates to the adoption of an ordinance entitled:

AN ORDINANCE providing for the issuance of \$60,780 Taxable General Obligation Limited Tax Bonds, Series 2012D, and \$237,805 General Obligation Limited Tax Bonds, Series 2012E, of the Village of Willow Springs, Cook County, Illinois, and providing for the levy and collection of a direct annual tax for the payment of the principal of and interest on said bonds.

a true, correct and complete copy of which said ordinance as adopted at said meeting appears in the foregoing transcript of the minutes of said meeting.
